

**Hillsborough Little League
2017 Post-Season Play
Participation Requirements**

Being selected to an All Star/Superbowl team is an honor and with that honor comes a commitment to fellow teammates. Practice is an essential element of this endeavor. To prepare the team for games, players must practice together. Practicing together means that players chosen for an All Star/Superbowl team must be available for practices and games. Parents and players need to understand and agree to the commitment. All Star/Superbowl team candidates must meet the following availability criteria or they will not be allowed to participate on an All Star or Superbowl team. Each player selected for a team must be available to attend practice typically every day within the practice and game time frame of the tournaments. The manager will determine the dates and times of practices.

Players will only be allowed to miss up to three practices until at least July 12 and no games to participate. Should a player miss a fourth practice, they will be disqualified from the team. To be clear, missing part of a practice (unless due to academics or illness) counts as missing an entire practice. This will be strictly enforced.

HLL will be sending 5 teams to Little League and District Tournaments:

- **Superbowl:** 12-13 players will be selected to represent Hillsborough Little League in the District 52 Tournament (single elimination tournament). Practice begins June 11 with games ending no later than June 20.

Majors players, managers, and coaches will be voting for the District All-Star Teams. The player, manager and coach votes will be considered with the input of the District All-Star Team Managers, Player Agent, and Board President to determine the team makeup. The Board President will also consult with the Player Agent and the Minors Managers to consider Minors players for the District All-Star Teams.

Majors managers and coaches and Minors managers will be voting for the Superbowl teams and the manager and coach votes will be considered with the input of the Superbowl Manager, Player Agent, and Board President to determine the Superbowl teams.

Also, for All Stars you will need to provide to the league in a timely manner an Original Birth Certificate. You will also have to provide proof of residency documentation dated between February 1, 2016 and February 1, 2017 or a signed school enrollment form from the principal. If you live outside the boundaries of HLL, but qualify to play by attending a school within the boundaries, you will be required to get the school enrollment form signed by the principal (an exception to this new rule applies for players who have been certified as an All Star for HLL in past years).
