Hillsborough 11-U All-Stars Win NorCal Division II Title

July 27, 2018

By Rick Chandler

They came close last season as 10-year-olds, and now the journey is complete.

Hillsborough's 11-under Little League All-Star team beat Maidu (Roseville), 7-5, at War Memorial Park in West Sacramento, to claim the Division II NorCal title on Wednesday.

Hillsborough lost in the finals last season.

NorCals are the final stop at this age division. Next season, however, this team will be in the 12-U division — and that one goes beyond NorCals to the Western Regionals in San Bernardino, and then the Little League World Series in Williamsport, PA. If Hillsborough can keep its core roster intact, then who knows how far they could go?
